

Welcome to the Spring term. This half-term our topic is called 'What is the best way to get there?' We will be looking a lots of different types of transport. Try to complete the activities below with your child over the next two weeks.

Activity 1

Whilst you are out and about with your child, have a look at the numbers on buses or destinations on tube trains . Discuss where the bus/ train is going. If you can, go on a bus or train ride. Talk to your child about the names of all the stops. Once you are home you could draw or make a model of a bus or train.

Activity 2

Watch this short video on transportation [Transportation and Their Sounds | Transport Sounds and Vehicle Names | Modes of Transport for Kids \(youtube.com\)](#)

Talk to your child about the different types of transport on the video.

Questions

What is your favourite type of transport?
Why?

Which type of transport is best for:

Getting to the supermarket?

Crossing the sea?

Going to ...?

Activity 3

The children will be learning to recognise the numerals 1, 2 , 3 and 4. Look out for these in day to day life. Talk to your child about the numbers you see.
