## **Practical tips completing section A EHCP**

<https://www.brent.gov.uk/sendias>

Meena and Katherine from Sendias will answer any questions you may have and provide you with useful practical tips on completing Section A

### **What is Section A of an EHCP?**

Section A of an EHCP is your opportunity to tell education, health and social care professionals about your child. Two things to be aware of:

Nobody knows your child better than you do. There's no right or wrong way for completing this section.

However, we hope that Meena and Katherine's suggestions will help give you a framework to organise and present your thoughts to the professionals who will be supporting your child.
