Dear Parents and Carers,

RE: NAM Educational visit to Elsley Primary School Farm

During the Summer term, Nursery’s big question is: Are all farm animals the same? We have organised a visit to **Elsley Primary School Farm** so children can have first-hand experience of seeing farm animals. The **morning Nursery** children will go on **Wednesday 10th July**. We will be leaving at 9:00am and returning back to school at 11:30am. Please arrive at Nursery for 8:45am.

We will be walking to the school. All children will need to take their water bottles with them and we recommend that they wear a hat.

On the day of the visit, if your child is on a course of medication, please ensure that you have spoken to a member of the Welfare Team to complete a form to allow staff members to administer medication.

We are requesting a voluntary contribution of £1 per child, to cover the cost of the visit. This must be given to your class teachers by Friday the 5th of July with the reply slip.

We will need parent/cares to accompany us on the visit. If you are selected to accompany a group of children, your child’s key person will inform you by the end of Monday 8th.

Yours sincerely

Mrs E Gascon
