

Dear Parents/Carers

Next Thing Education are looking to host a Technology Camp at the school during May half term 2024. The camp consists of lots of fun and exciting activities where each day your child will partake in 4 exciting activities designed for 50% learning and 50% fun.

- Robot Building & Programming
- Invention making
- Science Experiments
- Exciting Engineering with Minecraft & Lego
- Movie editing & creating
- Edible 3D printed Creations
- Virtual Reality

Here's a video of a snippet of some of the activities conducted at camp.

<https://youtu.be/VWqFyudd9oU>. Also here is a link to their website for any further questions around childcare vouchers and FAQ's www.nextthing.education

We accept a range of childcare vouchers for payment which can be viewed on our website.

To see what the current interested is in their camps, please could you complete the following 1 minute survey to register.
