

Remote Learning - Reception

23rd November 2023

Literacy

Listen to the story Dear Zoo by Rod Campbell. [Dear Zoo \(Share a Story Corner\) - YouTube](#)

Listen to the story again. Encourage your child to join in with the repeated refrains e.g. I sent him back!

Questions to ask your child:

Why was the monkey sent back?

Why was the camel sent back?

Why was the lion sent back?

Why was the puppy kept?

What is your favourite animal? Why?

Maths

Counting

Listen to the story One Mole Digging a Hole [One Mole Digging A Hole - Bedtime stories for kids, children's books read aloud. - YouTube](#)

Find objects around the house you can count with your child.
Practice saying numbers to 5 in order.

Communication and Physical Development

Ball Games

Practice passing a ball back and forth with your child. Click the link below to help you use this simple game to boost your child's language skills.

[Ball games for preschoolers: How can they boost language? - BBC Tiny Happy People](#)

Music

Listen some counting songs using the link below. Join in and sing together.

[Counting songs - BBC Teach](#)

Encourage your child to count how many there are.
