

Brent School Nursing Service
School based Vision and Hearing Screening Programme

2023 - 2024

Parent / Carer Information

Brent School Nursing Service is working in partnership with your child's school, offering Vision and Hearing screening for your child to take place in school.

Vision and Hearing screening is very important for children's learning and development and is part of the Healthy Child Programme offered by the School Nursing Service in Brent. Not being able to see or hear properly can prevent children from fully accessing the curriculum and hinder their learning. We will share the screening results with the school to ensure that your child can be appropriately seated in class to help alleviate the effect of vision/hearing difficulties before further assessments via an Optician or Audiologist have taken place.

Hearing & Vision screening will be carried out on 24th, 25th, 26th & 27th June 2024 from 9:15am – 2:30pm

Invitation to register with Parent Portal

Please can all parents/carers register with the nationally used SchoolScreener Parent Portal. By registering, you will have access to your child's screening results and other communications from the School Nursing Team.

To register, please click the link below:

Withdrawing from the Programme

Parents/Carers can opt-out of the Vision and Hearing screening once they have registered with the Parent Portal. You can also opt out via email (see below) or decline for the screening results to be shared with the school. Please **clearly** state your child's name, date of birth, school and class. Please also let us know if your child is already under the care of specialist services for their vision and/or hearing.

If you do not register with the parent portal or email School Nursing to opt-out, your child may still be screened. Follow the portal instructions clearly and CLICK SUBMIT at least 48 hours before our visit.
