

## Remote Learning Year 3

23<sup>rd</sup> November 2023

**myON**

### Reading

Read your AR for 30 minutes/go on MyON

In Geography we have been learning about Europe.  
Complete European Landmarks comprehension.

You do not need to print this, you can complete it on paper.

### Maths

Click on the link [Maths home learning | Home learning | White Rose Maths \(whiteroseeducation.com\)](#)

Watch the videos – Autumn Term – Multiply by 3 and Divide by 3

Complete Worksheets. You do not need to print these, you can complete them on paper.

### Writing

We have been learning how to write persuasive letters. As Christmas is approaching write a letter to Miss Colgan, persuading her that we should have a Christmas party in school.

Read the WAGOLL to help you. Bring your letter into school to share with your teacher.

### Science

In Science we are learning about rocks and you should know the difference between metamorphic, igneous and sedimentary. Watch the lesson 'How can we identify different types of rock?'

You will need a pencil, piece of paper and a ruler.

[How can we identify different types of rock? \(thenational.academy\)](#)
